

## **THE UNSHAKABLE KINGDOM #11**

### **Exposing the Spirit of Antichrist**

#### **Part Four**

##### **I. Introduction**

As I watched the looting and burning of this week's protests, I was reminded of God's word to the backslidden nation of Israel....

##### **Isaiah 1:7**

**Your country is desolate, your cities are burned with fire; strangers devour your land in your presence and it is desolate, as if overthrown by strangers.**

As I looked at the mob of people looting stores, burning buildings and throwing bricks and bags of urine at policemen, it was indeed as if these people were 'strangers', as if an enemy army had invaded.

I cried out to the Lord for a word and He gave me...

##### **Isaiah 5:13**

**Therefore my people are gone into captivity, because they have no knowledge.**

This immediately reminded me of another confirming scripture...

##### **Hosea 4:6**

**My people are destroyed for lack of knowledge.**

Apparently God agrees with the old saying, "What you don't know can kill you."  
So what is the knowledge we lack that can destroy us?

**The answer is that we don't know our real enemy!**

The Lord reminded me of the example of...

##### **The Bullfight**

- Have you ever watched a bullfight and wondered: “How is it possible that a 150 pound man on 2 legs kill a 2,000 pound bull on 4 legs?”
- **The bull is destroyed for lack of knowledge that his real enemy is not the cape. The real enemy is the matador hiding behind the cape.**
- The matador lets the bull wear himself out attacking the cape while he remains hidden-until he is ready to deal the death blow! What the bull doesn’t know kills him.

**The bullfight is a prophetic picture of what’s going on right now.**

The ‘matador’ is the deceptive spirit of antichrist at work in high places to destroy America as we have known it. The Church is the ‘bull’ who can easily defeat the ‘matador’ we know that our real enemy is not the ‘cape’.

The matador wears out the bull by deception, getting him to charge at the cape; the spirit of antichrist wears out the church by deception, getting us to attack the symptoms instead of the disease.

**Tom Delay**

**“You can’t defeat what you can’t define.”**

If you’re sick, the doctor has to define what’s wrong before he can deal with it  
The same principle applies to spiritual sickness or demons; as Paul said...

**1 Corinthians 9:26 NIV**

**Therefore I do not run like a man running aimlessly; I do not fight like a man beating the air.**

So I want to continue our series on “Exposing the Spirit of Antichrist”...

**The real enemy manipulating all these ‘capes’ is the spirit of antichrist operating behind the mask of “democratic socialism”; whose goal is nothing less than the transformation of America into a socialist nation.**

## **I. Knowing Our Real Enemy**

### **A. Basics of Spiritual Warfare**

1. We are in a war and it's time to 'suit up'.

**Ephesians 6:10-11**

**Finally, my brethren, be strong in the Lord and in the power of His might. Put on the whole armor of God that you may be able to stand against the wiles of the devil.**

a. We need to be strong in the Lord and in the power of His might to stand against the 'wiles' of the devil.

**"Wiles"**

**"schemes" in NASB; "strategies" in NLT; "tactics" (Apologetics); tricks in NCV**

(Never underestimate the Devil's ability to deceive!)

2. We have been studying the strategies of how the spirit of antichrist has taken other nations into socialism and shown how it is using the same schemes today in America; and the first thing we need to know is the first thing we tend to forget...

**Ephesians 6:12**

**For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly (high) places.**

3. Our real enemy is not flesh and blood! Our real enemy is the spiritual principalities and powers "in high places" that sow division and discord and into the culture as a means to remake the nation into a socialist system.

4. This is the spirit behind racism, class warfare and the gender wars.

5. The strategies of this spirit were codified by **Saul Alinsky**, the godfather of socialist radicalism and the mentor of powerful socialist political leaders like Hillary Clinton and Barack Obama, who began his career as a community organizer. Here is what **Alinsky taught:**

**"Pick the target, freeze the target, personalize it, and polarize it."**

a. Socialists believe in "divide and conquer".

b. Socialists constantly accuse the President of polarizing the nation; when actually they are the masters of polarization!

c. This was a tactic when the national socialist party took over Germany under Hitler:

**Joseph Goebbels**

**“Accuse the other side of what you are guilty of.”**

(How about the Russia hoax where the socialists accused the President of collaborating with the Russians to rig the election; but now we know it was the socialist party that was trying to rig the election!)

d. Keeping chaos going is a socialist strategy. Here is Alinsky on how to create anger:

**Saul Alinsky**

**“Fan the hostilities of low-income inner city residents. Search out controversy and issues rather than avoid them.”**

e. Socialists seek out the downtrodden, not to help them, but to manipulate them into their real agenda:

**Saul Alinsky**

**“The despair is there; now it’s up to us to go in and rub raw the sores of discontent, and galvanize them for radical social change.”**

**Saul Alinsky**

6. The great master strategy of the socialistic spirit of antichrist is summed up in this:

**Saul Alinsky**

**“Never let a crisis go to waste.”**

## **B. Never Let a Crisis Go to Waste**

1. Socialists seize on every opportunity to use crisis to sow division and discord to bring down America.

2. This is precisely what's being done right now in the case of George Floyd.

On May 25, four Minneapolis police officers detained George Floyd, a 46 year old black man on suspicion of passing a counterfeit \$20 bill. Floyd was a convicted felon who had served 5 prison sentences, one for breaking into a home and holding a pistol to the stomach of a pregnant African-American housewife while his accomplices burglarized her home. Floyd was high on drugs at the time of his arrest.

But then the unthinkable happened. Derek Chauvin, a white police officer knelt on Floyd's neck for almost 9 minutes while he lay handcuffed face down on the street, resulting in Floyd's death, all while the other 3 officers stood by.

a. All 4 officers have been arrested and charged, Chauvin for 2<sup>nd</sup> degree murder.

b. Terrible. Tragic. Reprehensible.

3. But no justification for what has happened since! Looting, burning, rioting and shooting. America is in chaos. And if you think this is about the murder of George Floyd you couldn't be more mistaken.

4. What we are witnessing today is not about George Floyd! That is a 'cape'. The real enemy is the spirit of antichrist-those Marxist/socialists who are seizing upon the crisis to dismantle our systems of law and order and destroy our country.

### **Burgess Owens**

**Former Super Bowl Champ/Republican candidate for Congress, on Fox News,  
6/1/20**

**"We are fighting for the heart and soul of our nation, our middle class. What we're up against is Marxism. We have an enemy out there and what we're seeing is the true evil of that enemy."**

5. The socialist strategy is create chaos by demonizing our police officers.

### **Barack Obama**

**(Tweeted last Friday)**

**"For millions of black Americans, being differently treated by the criminal justice system on account of race is tragically, painfully, maddeningly normal."**

He called on police and the public to create a ‘new normal’ in which bigotry no longer ‘infects our institutions and our hearts’.

**Joe Biden** released a video the same day in which he asserted that all African-Americans fear for their safety from ‘bad police’ and black children must be instructed to tolerate police abuse just so they can ‘make it home’.

**Minnesota Governor Tim Walz** denounced ‘the stain of fundamental, institutional racism in law enforcement’ and claimed blacks were right to dismiss promises of police reform as empty verbiage.

The socialists seek to exploit the crisis by painting a picture of systemic racism in our police departments. But what are the facts?

### **The Myth of Systemic Police Racism**

Heather MacDonald

Wall Street Journal, 2/2/20

“These charges of systemic police bias as wrong during the Obama years and remains so today. However sickening the video of George Floyd’s arrest, it isn’t representative of the 375 million annual contacts that police have with civilians. A solid body of evidence finds no structural bias in the criminal justice system with regard to arrests, prosecution or sentencing. Crime and suspect behavior not race, determine police actions.”

### **The Facts**

The fact is that in 2015, under the previous administration, police fatally shot  
38 unarmed blacks

In 2019, under this current administration, police fatally shot 9 unarmed  
blacks

1 is too many! But the news media never told you that things are improving

(Actually, the mass media outlets are promoting the problem and endangering our police and women in doing so)

### **Heather McDonald**

“The false narrative of systemic police bias resulted in targeted killings of police officers during the Obama presidency. This pattern maybe repeating

**itself. Officers are being assaulted and shot at while they try to arrest gun suspects or respond to the growing riots.”**

### **Heather McDonald**

**The Minneapolis officers who arrested George Floyd should be held accountable for their excessive use of force and callous indifference to his distress. Police training needs to double down on de-escalation tactics. But Floyd’s death should not undermine the legitimacy of American law enforcement, without which we will continue on a path toward chaos.**

6. Selective reporting by the socialist controlled mass media has been in a feeding frenzy on the tragic murder of convicted felon George Floyd because it suits their agenda to discredit the police. Meanwhile, they fail to report the death of a man who gave his life to public service...

### **The Murder of David Dorn**

**On Tuesday, June 5<sup>th</sup>, retired St. Louis Police Captain David Dorn, 77, was shot by looters as he tried to defend a store. The looters, all black, watched as Dorn bled to death on the sidewalk.**

a. We’ve heard hundreds of hours of news about the murder of George Floyd; almost nothing about the murder of David Dorn. Result?

### **Go Fund Me**

**The “Go Fund Me” account for the family of David Dorn is at \$50,000. Meanwhile, the Minneapolis “Freedom Fund” account is at \$20,000,000; mostly money given by celebrities to bail out arrested protesters and looters.**

b. Did the news media tell you that this past weekend (May 30-31) 80 Chicagoans were shot in drive-by shootings, 21 fatally, the victims were overwhelmingly black as were the shooters?

7. And does the news media ever tell you that the majority of the riots and looting is going on in cities and states where socialistic Mayors and Governors are in charge?

### **Burgess Owens**

**“We have to understand that we find this mostly in those blue states, where you have Governors who have shut down businesses for the last 3 months and Mayors who allow these people to come in and destroy businesses across the board. These businesses are where our economy will come back strong and we have Marxists that are actually up against that. So we have to realize who our enemy is. I’m looking to our President looking at these people as terrorists, and they have to pay the price for being so.”**

8. This week saw amazing gains in employment **--But not in these cities**

**New York -8%**  
**Boston -8.2%**  
**Washington, D.C. -6%**  
**Los Angeles -5.9%**  
**Chicago -5.5%**

**What do all these cities have in common? Socialistic Mayors**

- a. Now some of these same socialistic political leaders are seeking to defund their police departments!
- b. Don’t be distracted by the ‘capes’; the real enemy is the ‘matador’ who wants to kill the economy and destroy this Presidency.
- c. All this chaos is coordinated. It’s all planned to derail any President who threatens their agenda. The same thing happened in the mid 80’s.

### **Ronald Reagan**

**“We were succeeding, and that’s why the terrorist acts began. There are forces at work that don’t want us to succeed.”**

d. The forces at work are the liberals, progressives, and democratic socialists who do not want non-socialistic politicians to succeed. They will lend their hand to anything that will undermine them.

9. Let me move on to another way God is exposing the real enemy; the spirit of antichrist working in socialism at another level. I speak of the effort to silence or control the voices of Pastors, politicians or even ordinary people through the intimidation of...

## C. Political Correctness

### Definition

**Political correctness is the belief that language and practices which could offend political sensibilities (as in matters of sex or race) should be eliminated.**

1. Sounds OK, right? But it's a wolf in sheep's clothing.

**George Carlin**

**“Political correctness is Fascism pretending to be manners.”**

**George Carlin**

**“Political correctness is America's newest form of intolerance and it's especially pernicious because it comes disguised as tolerance.”**

**Aayen Hirsi Ali, Stanford University**

**“Political correctness is a weapon used to silence people who tell the truth.”**

2. The terrorizing of truth-tellers began many years ago.

**Martin Luther King**

**“Many people fear nothing more terribly than to take a position which stands out sharply and clearly from the prevailing public opinion. The tendency of most is to adopt a view that is so ambiguous that it will include everything and so popular that it will include everybody.”**

a. The pressure to be politically correct has silenced pastors as well as politicians. This is why church-going American Christians are shocked when preachers preach the truth. They've been pre-conditioned to the point where...

3. God is exposing the spirit of antichrist at work in those who want to control our conversation; this has happened in every nation where socialism has seized the power.

**Doris Lessing**

**“Political correctness is a self-appointed group of vigilantes imposing their views on others. It is a heritage of communism, but they don't seem to see this.”**

4. They don't see it; do we see them?

### III. Conclusion

#### A. Do We Know Our Real Enemy

1. Up to now, the 'matador' has stayed alive by deceiving the 'bull' as to the nature of his real enemy.

2. He has worn us out charging at his 'capas':

- This isn't really about the corona virus
- This isn't really about George Floyd

3. This is about a satanic strategy to destroy America and re-birth it as a socialist nation. So what do we do?

#### Ephesians 6:10-11

**Finally, my brethren, be strong in the Lord and in the power of His might. Put on the whole armor of God that you may be able to stand against the wiles of the devil.**

#### Ephesians 6:12-13

**For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly (high) places. Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand.**

#### Ephesians 6:14

**Stand therefore, having girded your waist with truth,
